Re: October 22, 2019 Right-to-Know Request

To Whom It May Concern:

Thank you for writing to the Cumberland County Office of Open Records with your request for information pursuant to the Pennsylvania Right-to-Know Law, 65 P.S. 67.101, et. seq.

On October 22, 2019, you requested “Any and all records from January 1, 2019, to the date this request is processed, concerning election complaints forwarded to the county from the Pennsylvania Department of State. A spreadsheet obtained via a previous request to the department showed that in 2019, 1 election complaint was submitted to Cumberland County, labeled "other." Responsive documents would include investigations into these complaints and the findings of the elections division.”

Cumberland County invokes a 30-day extension for legal purposes because the nature of the request precludes a response within the required time period, all pursuant to Section 902(a)(7) of the Right-to-Know Law.

Sincerely,

Lisa A. Woodward  
Open Records Officer
